DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The amendment document filed on July 21, 2008 is considered non-compliant because it has failed to meet the requirements of 37 C.F.R. 1.121. In order for the amendment document to be compliant, correction of the following items is required.

1) In the claim listing, the status of every claim must be indicated after its claim number by using one of the following identifiers in a parenthetical expression: (Original), (Currently amended), (Canceled), (Withdrawn), (Previously presented), (New), and (Not entered). In this case, new claim 35 has been identified as "Currently amended". The identifier of claim 35 should be "New".

Please refer to the entire rule 37 C.F.R. 1.121 for further details on the proper manner of making amendments.

Applicant is given one month, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction. The correction required is only the corrected section of the non-compliant amendment in compliance with 37 CFR 1.121. Extensions of time are available under 37 CFR 1.136(a) only if the non-compliant amendment is a non-final amendment or an amendment filed in response to a Quayle action. Failure to timely response will result in Abandonment of the application if the non-compliant amendment is a non-final amendment or an amendment filed in response to a Quayle action or Non-entry of the amendment if the non-compliant amendment is a preliminary amendment or supplemental amendment.
